We ARE McDowell!

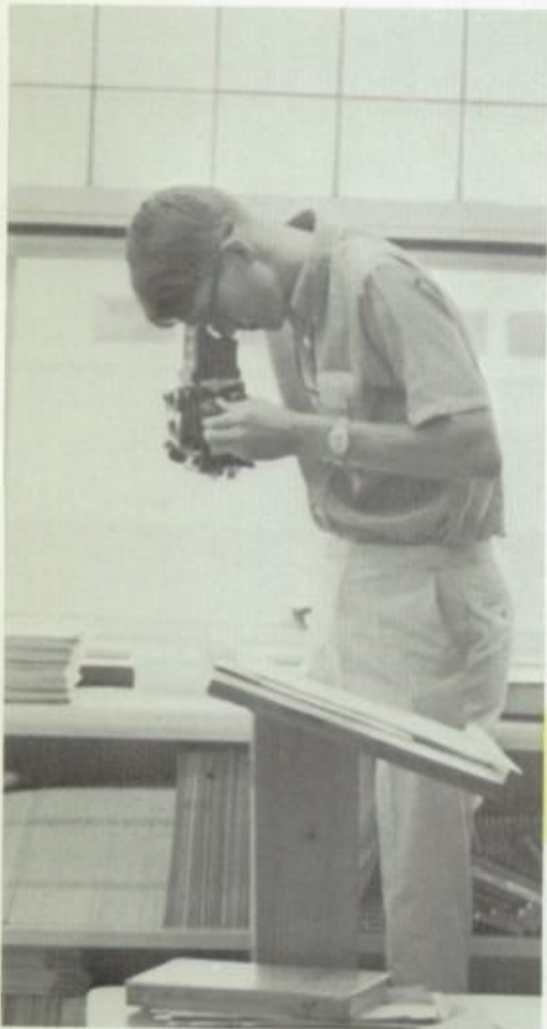

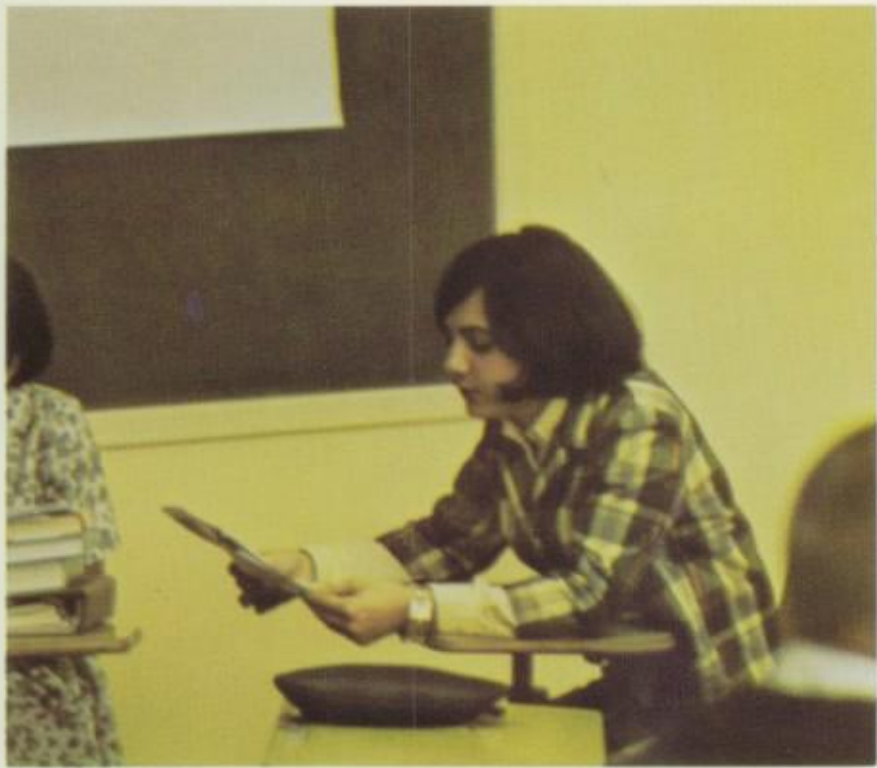

From the most befuddled of
Sophomores and the most
experienced of Teachers, to
the liveliest Juniors and
the most ambitious Seniors—

We ARE McDowell!

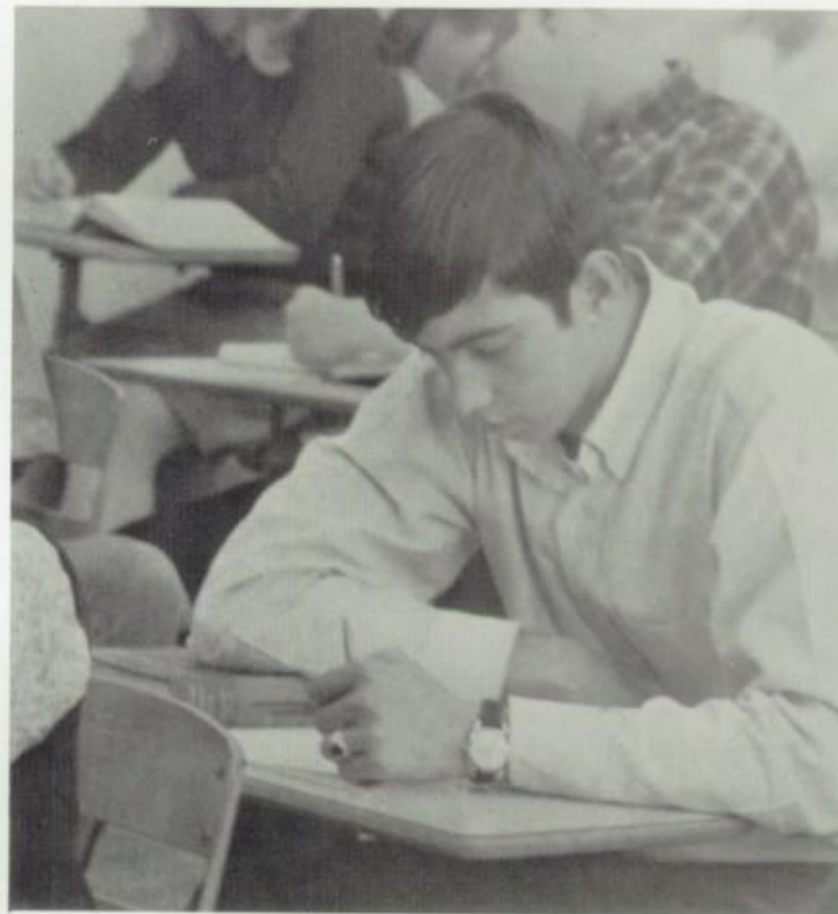

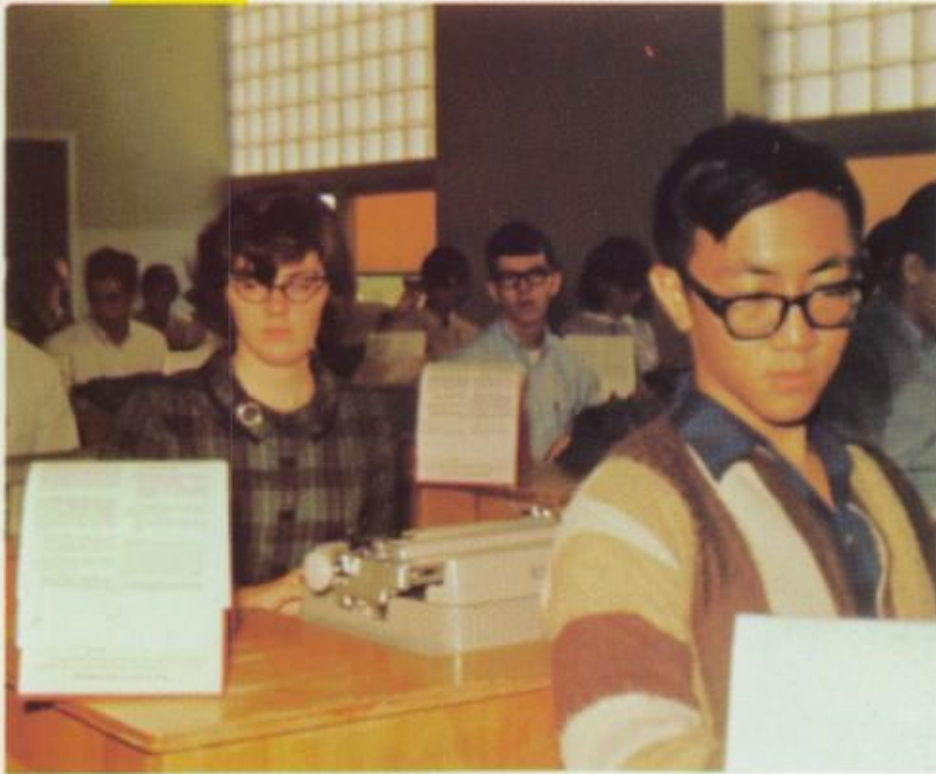

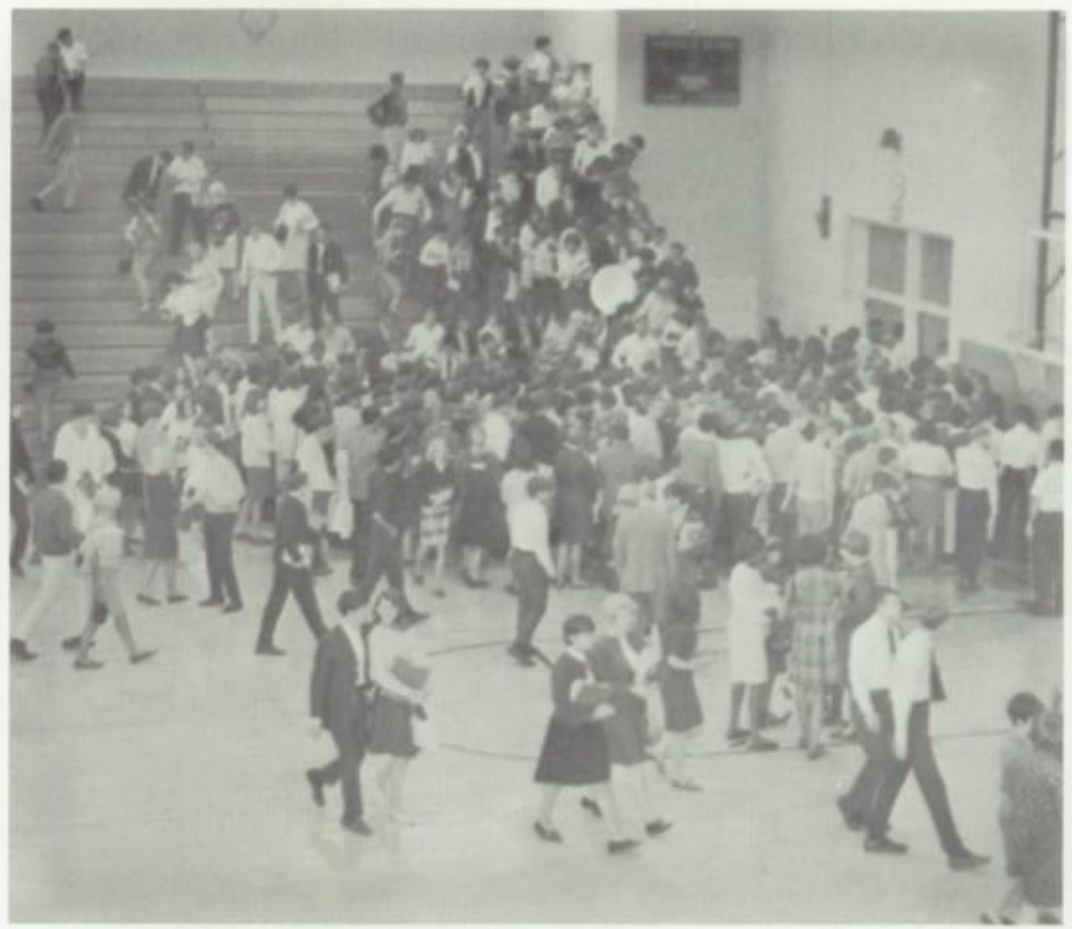

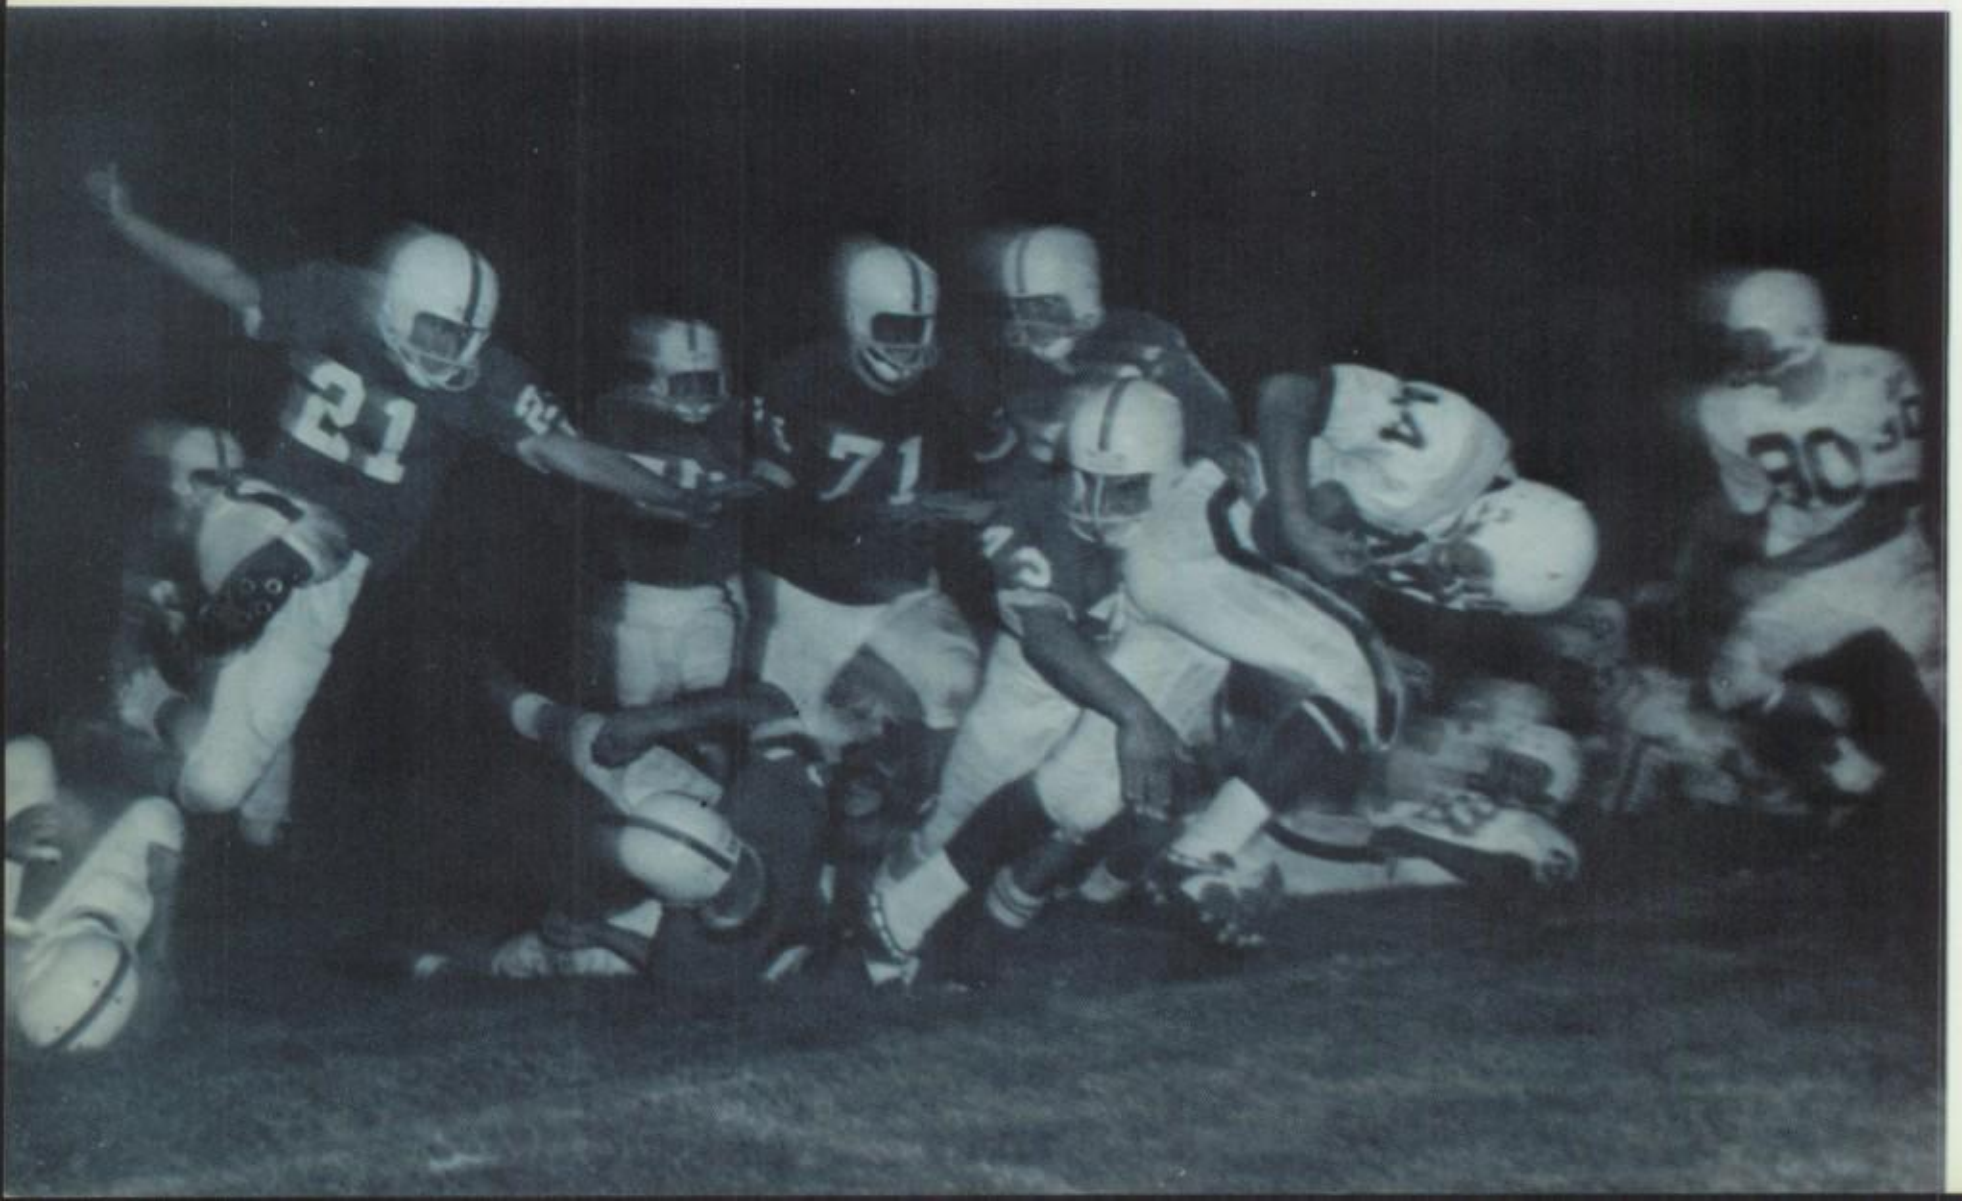

In the Class,
On the Stage,
After School,
At Pep Rallies,

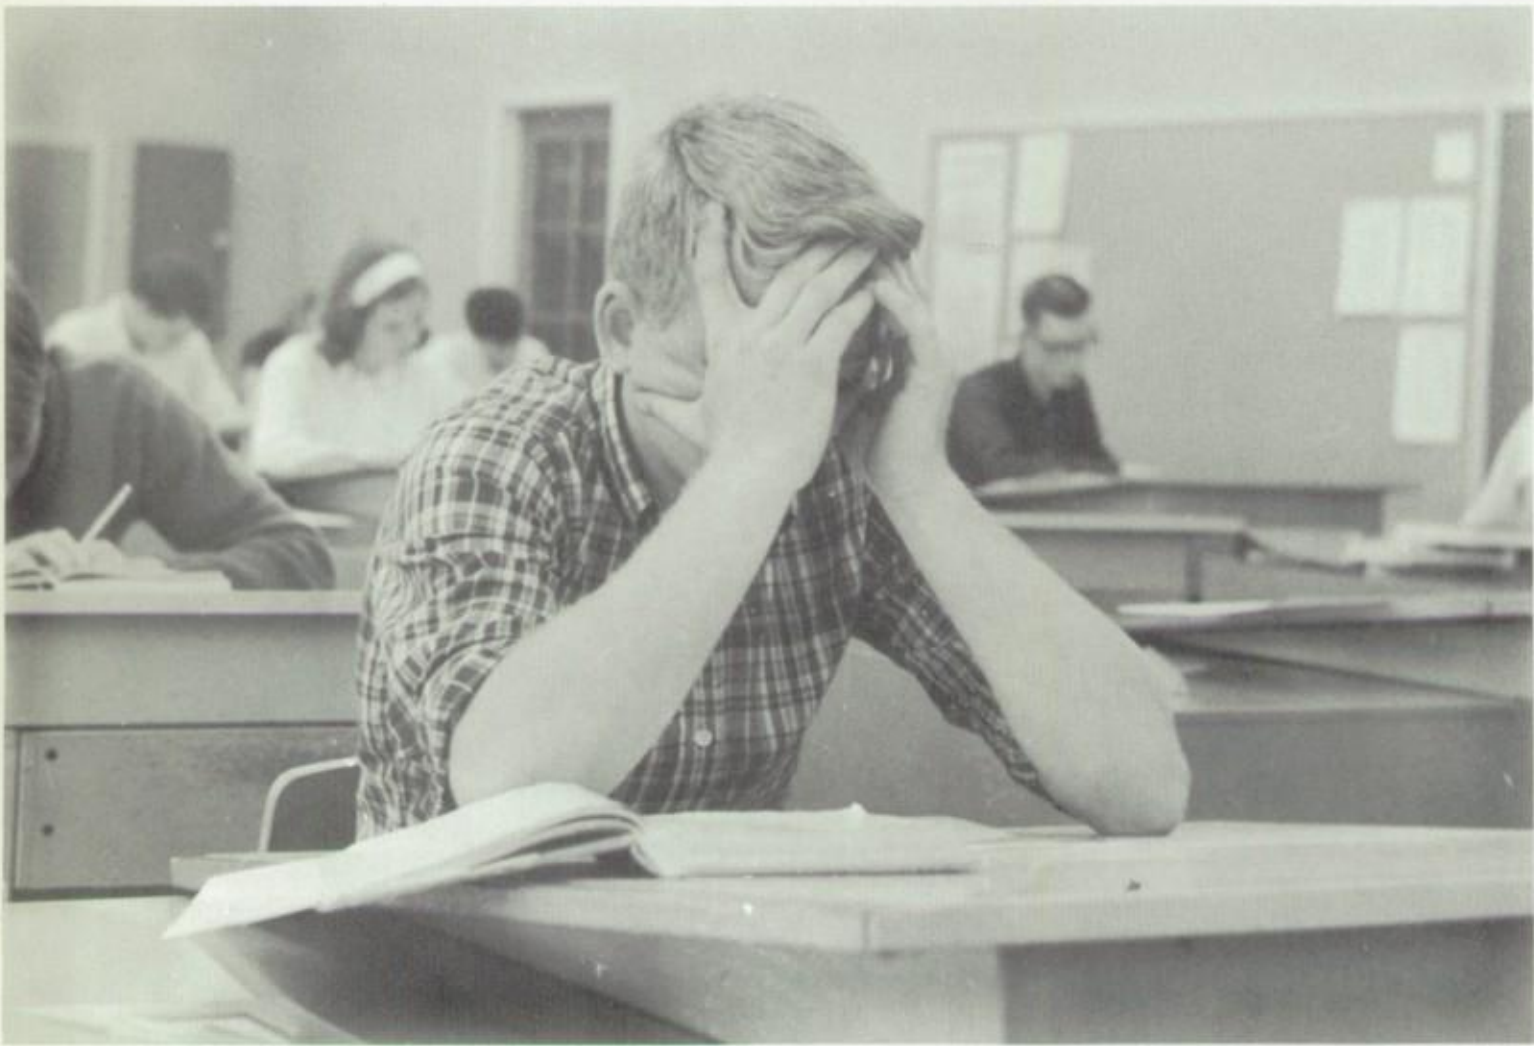

And as Our Boys Compete To Prove
That "No One Could Be Prouder,"
We Are McDowell!

To the left of the building is a large, open grassy area, and further left is a baseball field with a visible diamond. The background shows more trees and some distant buildings.

Teaching, advising, participating, inspiring--
An administration and a faculty to respect, to be proud of.

Our Dedication

Mrs. Louise Bjork

A teacher affects eternity;
he can never tell
where his influence stops.
--Henry Adams

It is with great sincerity that we dedicate the 1967 Kaldron to one such teacher, Mrs. Louise Bjork.

Through her many years at McDowell her influence has been felt in her teaching, the History Club, the Model United Nations, and the many lasting friendships she has made.

We are indeed privileged to have had her presence in McDowell during our attendance here.

Administrators

To the Class of 1967, I wish to leave this parting word--"Know your own worth." If you are genuine, the world will find it out. If during the past twelve years, you have followed the wise counsel of your teachers at every level, you may safely rely upon your own power to fill a place in the world's activity. Remember always that you owe the world the best use of the abilities you have developed. Whether you pursue further education in college, or whether you go immediately into a vocation, be ready to meet that obligation and the rewards of work well done will be yours.

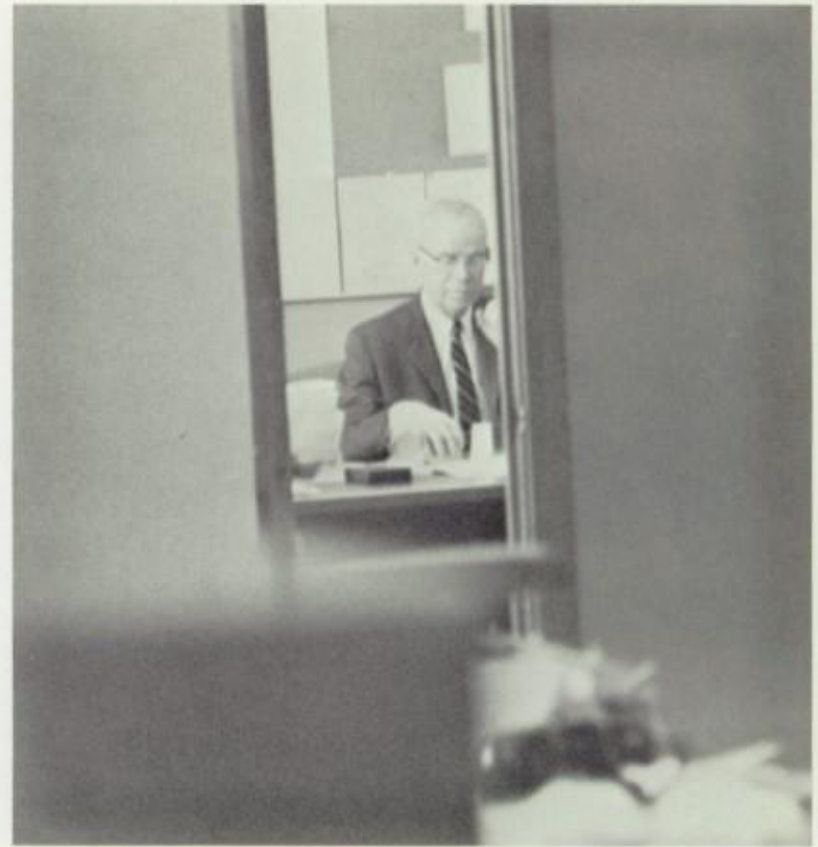

Dr. John S. Sandel
Superintendent

HUGH BRININGER

As Curriculum Co-ordinator of Millcreek Township, Mr. Hugh Brininger has been instrumental in introducing many new programs into the school system. The junior highs now offer expanded science and Spanish courses, and McDowell is offering geography, sociology, and journalism. Also through his efforts, teachers can use more supplementary educational aids such as paperback references, movies, tape recorders, and overhead projectors. Mr. Brininger is certainly a man with an eye for the future of education in Millcreek.

Our Principal Speaks

As you Seniors are about to move out from what is often called "the best years of your life," you will find that "the best things in life" are not free.

Beauty is not free. Beauty is said to be about ten per cent the loveliness of the view and ninety per cent the appreciation of the viewer, and appreciation of beauty costs time and attention that we must draw from the busy day that absorbs us.

Knowledge is not free hanging on vines to be easily picked by any passer-by. It lies deep beneath surfaces and must be dug and mined with great energy.

Happiness is not free, but is illusive and costly.

Worthwhile character is not free, but comes from self discipline and often from lessons learned in failure.

However, the best things, while not free, are within the reach of all who are willing to pay the price in time, study, and hard work. All of you can have the best things in life, if you are willing to pay the price.

I wish for all of you the best things in life!

Guidance

This year the Guidance Department had four competent counselors, concerned with the future of each McDowell student. Mr. Harrison, head of the Department, and Mrs. Holt counseled Seniors while Mr. Stillings, a newcomer to McDowell, and Mrs. Carroll, new to the Department, worked with Juniors. In addition to advising upperclassmen on college and vocational plans, the counselors listened to Sophomores'--in fact, to everybody's--personal problems.

Nurse

Mrs. Ruth Williams, our nurse, may be a newcomer to McDowell, but she is no stranger to the student body. Having worked in the Millcreek School District for thirteen years, she already knows many of us.

Screening hearing and visual tests, giving Tine Tests, keeping records straight--these are just a part of her responsibility of caring for the health of over 1600 students.

Concern + Knowledge=
Responsible Action

McDowell's chapter of the National Congress of Parents and Teachers shows its concern for the student body in several ways. Each year the PTA purchases National Honor Society pins and sponsors a reception after Baccalaureate. Also, it makes a large contribution to the Millcreek PTA Scholarship Fund which benefits deserving Seniors.

The PTA seeks knowledge through a series of Parent Education meetings. Topics discussed this year included higher education and the military responsibility of youth.

And now, their concern backed by knowledge, the members of the PTA are prepared to take "responsible action" in our community.

School Board

The members of the School Board, though they all have different occupations, have one thing in common--a desire to make the Millcreek Township School System better than it is now. They do this by hiring the best teachers, principals, and supervisory personnel; by making sure that the schools are in good condition; and by authorizing the construction of more buildings when necessary. It is through the efforts of these men and their predecessors, that our school system has reached its present degree of excellence.

Members of the 1966-67 School Board: William Simonsen (Secretary, non-member); George Schau (Pres.); John Grode (Vice Pres.); Robert B. McCullough (Treas.); William Conner; Dr. William Hirsch; William Morton; Dr. O. A. Paavola; Gordon Swenson; Thomas Wells.

ACTIVITIES

An aerial photograph of a school campus. In the foreground, there are several large, rectangular buildings, likely classrooms or administrative buildings. To the left, there is a large, oval-shaped field, possibly a sports field. In the background, there is a large, open field, possibly a football field or a track. The sky is dark and overcast.

All year Activities kept Trojans busy: selling Christmas trees and fruit cakes, selling "Pound Prep" and "Wreck Tech" ribbons, feeding fish, running films, taking trips, and working out on the parallel bars.

National Honor Society

Members of the National Honor Society are chosen on the basis of their Character, Citizenship, Leadership, Scholarship and Service. McDowell's NHS chapter, in its 33rd year, certainly is a broad cross section of all these qualities.

Again this year the NHS went trick-or-treating for UNICEF. They also sold chocolate bars. Profits from the sale went into a scholarship fund, the major project of McDowell's Honor Society.

Ann Bunner, Pres.; Ellen Evans, Vice-Pres.; Connie Conrad, Sec.; Sponsors: M. Powell, and J. Nichols.

Library Club

Few people at McDowell realize the hours of hard work the members of the Library Club put in. Each must complete a training course before he becomes a full-fledged member of the group. These student assistants handle every book taken from the Library several times. They check it out, inspect it when it is returned, collect the fine if it is overdue, and finally shelve it. We can be proud of the efficiency of our Library and the Club responsible for it.

Student Council

Originality was the outstanding characteristic of the 1966-67 Student Council. This year two offices were added--Sergeant at Arms and Parliamentarian. This enterprising Council also introduced the Welcoming Committee, the Improvements Committee and the School Store. The Council sponsored "Autumn Leaves" and sold AFS stock in order to bring an exchange student to McDowell next year.

Mats Larsson

A.F.S. Student

Mrs. Michaels, Tom, Joyce, Mats, Jim, Mr. Michaels.

Sweden's special ambassador to McDowell is Mats Larsson, a visitor from Stockholm. But last August at the Buffalo bus terminal with a warm handshake and a friendly "Hi," the visitor became just one of us.

Residing with Jim Michaels and his family, Mats is perfectly at home in a "Swedish-American" atmosphere. Mats enjoys English pop and American folk music, especially groups like the Beach Boys.

Though he has studied English since fourth grade, Mats admits, "It's different when you have to use it all the time." He also confesses that he has difficulty in English 4 Prep--but then, who doesn't?

When Mats goes back to Sweden to prepare for a career in business administration, he will have left behind with us a Scandinavian air--a feeling of good will and understanding of his country.

Dramatics Club

Officers: Mrs. Murdock, Advisor; Irene Chanson, Pres.; Kathy Johns, Sec.; Karen Snider, Treas.; Vicki Rank, Vice Pres. (absent)

Even though not all the members of the Dramatics Club are actors, they all have the same interest--drama. Whether it be directing, setting up props and scenery, or making costumes, everyone in the club becomes part of the theater. They also have the advantage of visiting student workshops at various colleges in the area to see how to overcome their problems. While picking up a few "tricks of the trade," McDowell's Thespians improve their talents. They use these talents several times throughout the year in school plays, at women's clubs, or at other social functions.

Joining the Dramatics Club is not an easy task. One must prove that he is willing to work by putting on a skit or writing a thesis on some phase of the theater. Even then, one must earn points to remain in the club and enjoy all that it offers.

Senior Class Play

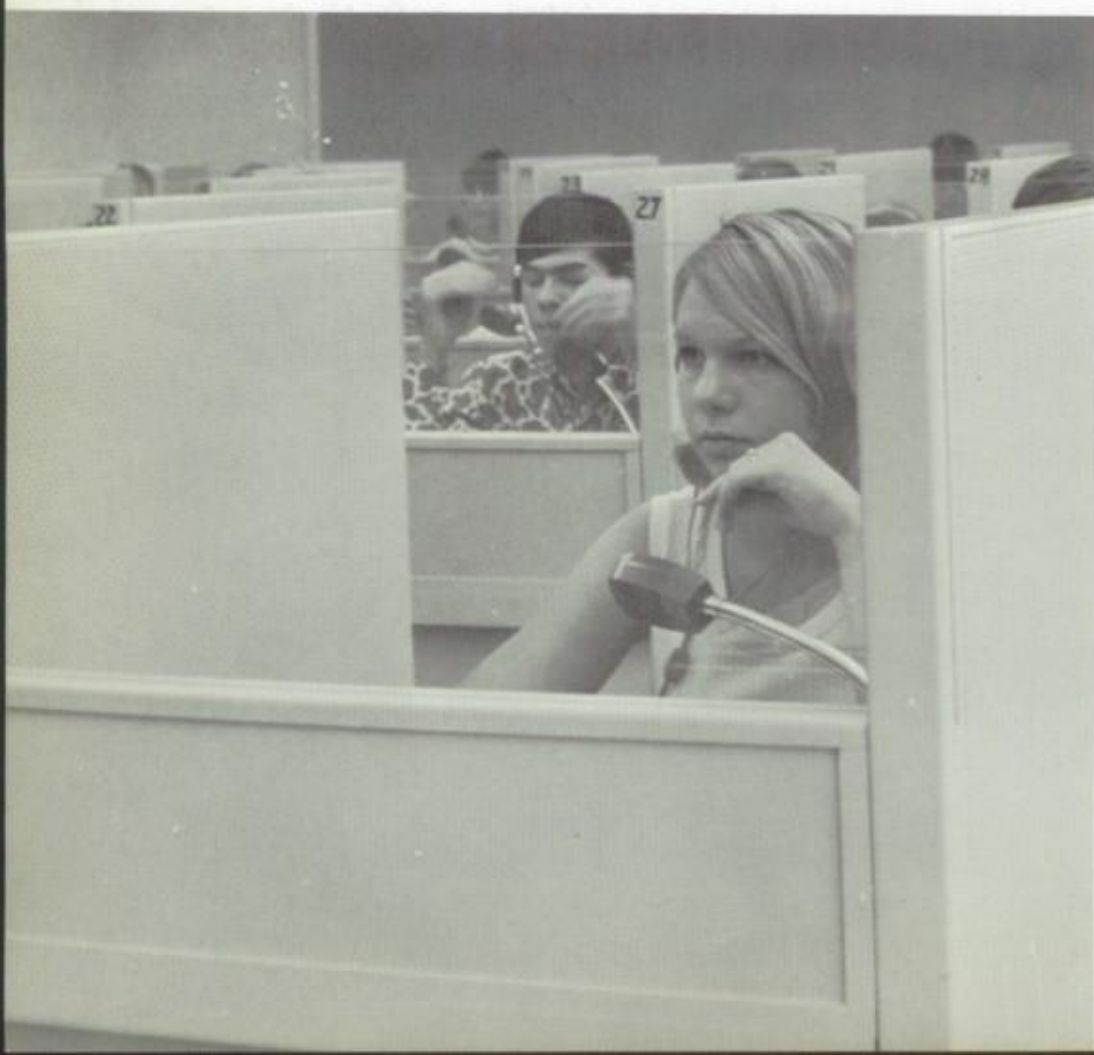

"The Spiral Staircase," the Senior Class Play, proved to be quite the chiller it had promised to be. It was presented to the public on November 10 and 11, and the proceeds went to the Senior Class. The members of the cast were Vicki Rank, Brian Pelton, Carolyn Terwilliger, Bob Schneider, John Ims, Carol Ralston, Pam Thomas, and Jim Cornish.

Officers: Tom Pire, Treas.; Karen Snider, Sec.; Val Miles, Vice-Pres.; Pam Thomas, Pres.; Mrs. Wright, Advisor.

Literary Club

Mr. Bickford, Advisor; Kathy Johns, Pres.; Linda Meadowcroft, Vice-pres.; Vicki Rank, Sec. - Treas.

LITERARY CLUB

The purposes of the Literary Club are threefold: to analyze meaningfully the written word, to plumb more fully the depths and intended purposes of our language, and to encourage creative talent within our own school. To accomplish these purposes, the club hopes to put out in the near future a Literary Annual which will contain original works of McDowell students.

Mock U.N.

Each fall a group of students interested in international affairs joins the McDowell delegation to the Model United Nations. This year McDowell, representing Portugal, attended many meetings at area high schools to discuss world problems with other delegations and to write bills. The climax of the program was the meeting of the General Assembly, with representatives from eighty-five countries, at Gannon College on November 19 and 20.

McDowell scored two triumphs at the '66 Mock UN--a bill Portugal sponsored passed, and Tom Julius, chairman of the Portuguese delegation, won a scholarship to Gannon College.

Formed by three ambitious boys interested in tropical fish, the Aquarium Club has proved itself to be one of the worthwhile clubs at McDowell. Its 20 members care for and breed the fish in the Biology Room. Although they have a meeting every month, it really isn't necessary because all the members are together every morning checking up on their fish.

Debate Club

Officers: Mr. Comfort, Advisor; Dan Falcone, President; Glenn Ricart, Vice-President; Nancy Vitt, Secretary; Dave Lewellyn, Treasurer.

McDowell has another type of inter-scholastic competition besides its sports program. This is Debating.

Each year the Debate Club holds tryouts among its members. After the team is chosen, it debates other teams in the Lake Erie Debate League, in which McDowell is the defending champion. Though not as well-known as the sports program, Debating, too, is a worthwhile form of competition.

Officers: Mrs. Carroll, Advisor; Kathy Kantz, Sec.; Celinda Rife, Pres.; Cassie Kontis, Vice-Pres.; Jim Butler, Treas.

Red Cross

The Red Cross is truly a service club. This year the club's service projects were putting on a show for the Veterans Hospital, making tray favors for the hospitalized, and contributing to the AFS. The money from their sale of nuts went into a chest to help any disaster-struck school in the world. In return the hundred members receive only the good feeling that comes from helping others.

Kris Chiappazzi, Gay Weber, Don Wamb-gans, John Ims, Jeff Lane, Glenn Ricart, Missing: Ken Holt.

Keystone State

Last summer the American Legion again sponsored a program on Pennsylvania government. Seven McDowell students attended; the girls went to Shippensburg State College for a week, and the boys went to Penn State. They elected local, county, and state officers and studied in depth the government of Pennsylvania. This educational opportunity has enriched the lives of the seven students who went to Keystone State this year.

HUB

McDOWELL HUB, Voice of Student Opinion

The policy of the McDowell HUB is that of reporting the news accurately, truthfully and fully.

This six-page, tabloid-size paper, like all professional newspapers, is produced by the letterpress method, experiencing the staff in layout, paste-up, proofreading, and headlining. Operating without subsidy, the HUB received the revenue for its monthly publication through sales and advertising.

Girls' and Boys' Bowling are a couple of the most active clubs at McDowell. Girls and boys each bowl on one of several teams once a week for twenty-seven weeks. In both clubs team spirit and individual competition are keen.

Trophies are awarded at the end of the year to teams and to individuals. Another end-of-the-year event that all the bowlers look forward to is the High-Low Average Tournament between the girls' club and the boys'.

F.T.A.

Kathy Kantz, Pres.; Susan Bunting, --Vice Pres.; Diane Heinrich, Sec'y.; Sue Krahmke, Treas.; Miss Evans, Advisor

The main purpose of the F.T.A. is to learn about opportunities in teaching. This year several guest speakers came to discuss their particular fields. The club also made trips to several colleges, to review the types of curriculum offered and to glimpse a little of college life.

F.H.A.

Miss Foy, Advisor; Linda Hornung, Pres.; Barb Dylewski, Vice-pres.; Debbie Young, Sec.; Kathy Teubner, Treasurer.

G.A.C.

Girls' Athletic Club is one of the largest clubs at McDowell. It meets every Tuesday and Thursday after school to participate in various sports. The girls play volleyball and basketball during the winter; in the spring they compete in soccer games.

Taking part in the sports is not the only fun of belonging to G.A.C. Every year at Homecoming time the girls undertake the great task of preparing the Homecoming float for the Queen. This year's chairman was Pam Meadowcroft. Linda Hornung, Sandy Harper, and Jan Garnon helped Pam a great deal. Also, every year when things start looking dull, G.A.C. cheers everything up with a springtime dance which is always a gala affair.

Thanksgiving time at McDowell was brightened by the annual Autumn Leaves Dance and the crowning of the KALDRON King and Queen. Then, to the music of the New Carl Holland Orchestra, McDowell welcomed its newest royalty. This year the honors went to King Jim Michaels and Queen Barbara Calvert.

Majorettes

A necessary complement to a good marching band is a fine group of Majorettes. McDowell was very fortunate this year to have had the best. Under the direction of Miss Panko and led by Captain Phyllis Pithers, Co-captain Eloise Lewis, and acting Co-captain Sally Shaner, the girls worked hard to prepare new routines for the football half-time shows and parades. This year during a unique blackout routine the Majorettes twirled lighted batons, and Phyllis Pithers twirled fire.

Sharp! That's the word that best describes McDowell's precision drill team, the Trojanettes. This year the Trojanettes performed at football and basketball games and in parades. Miss Panko is advisor, Barb Calvert captain, and Terry Tragaser co-captain. Senior group leaders are Sandy Van Tassel, Sharon Proper, and Chris Snarski.

Mr. Perkins, head of McDowell's Music Department, feels that in today's technological world we should foster not only an individual's intellectual capacities but also his creative abilities. He teaches his music students to enjoy and understand good music in order to develop their cultural values to a further degree.

"Music is the Universal Language." (Henry Wadsworth Longfellow)

Football

The Varsity Football Team overcame injuries and lack of candidates to end its season with a 6-2-1 record. East (14-0) and Prep (33-0) proved to be the Trojans' downfalls again this year. Surprising Corry nearly upset McDowell, but the Trojan squad managed a tie in the closing minutes.

Terry Smith, winner of the HIT Award and Section scoring champion, sparked the team with his driving individual effort. However, the entire Trojan Squad, led by Head Coach Joe Moore and Line Coach Jack Henning, put on a great display of teamwork.

J.V. Football

Sam Petruso, Head J.V. Coach, and Joe Henderson, Line Coach, had a right to be proud of the J.V. Team this year. Hampered by injuries and the loss of key players to the Varsity squad, the J.V.'s had a 2-3 season.

All the players, however, exhibited fine sportsmanship and the desire to be a member of next year's Varsity team.

The Cross Country Team began training in mid-summer in order to build a strong squad around the two returning lettermen, Junior Dave Volgstadt, Most Valuable Runner of 1965, and Senior Bill Matijasic, captain and Most Valuable Runner of 1966. Mike Weber, co-captain, was the only other Senior on this year's team.

Trojan losses to Warren and Prep accounted for a season record of 6-2.

McDowell placed second to State champion Warren in an exciting District 10 battle. Trophies for second, sixth, and tenth places went to Bill Matijasic, Mike Cesnick, and Bill Galbraith respectively.

Sophomore Jon Bannister was 26th at State as he led McDowell to its highest-ever fifth place finish.

Captain John Wassell.

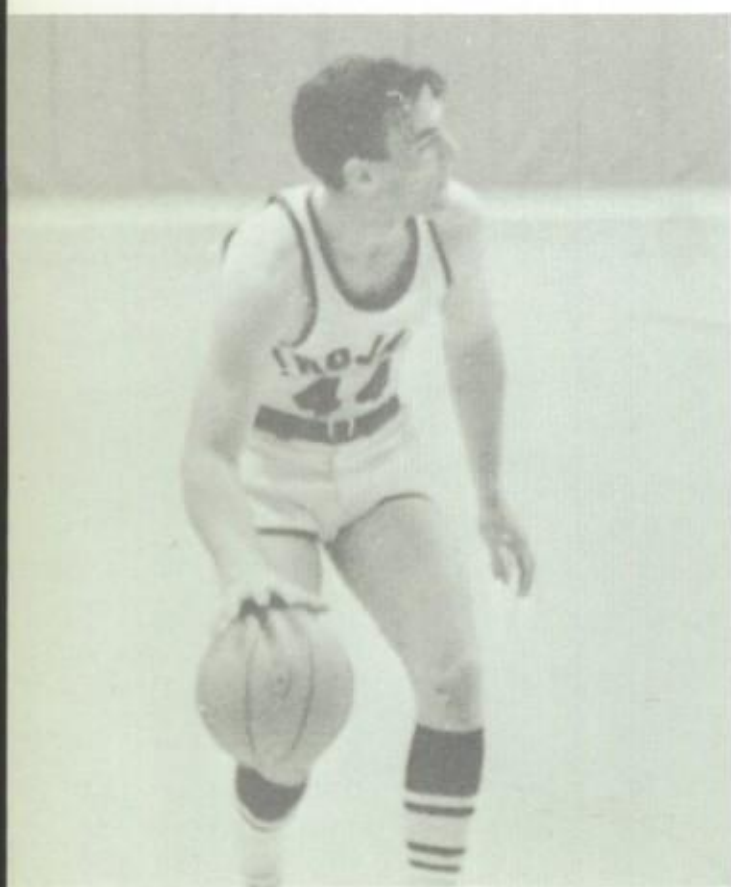

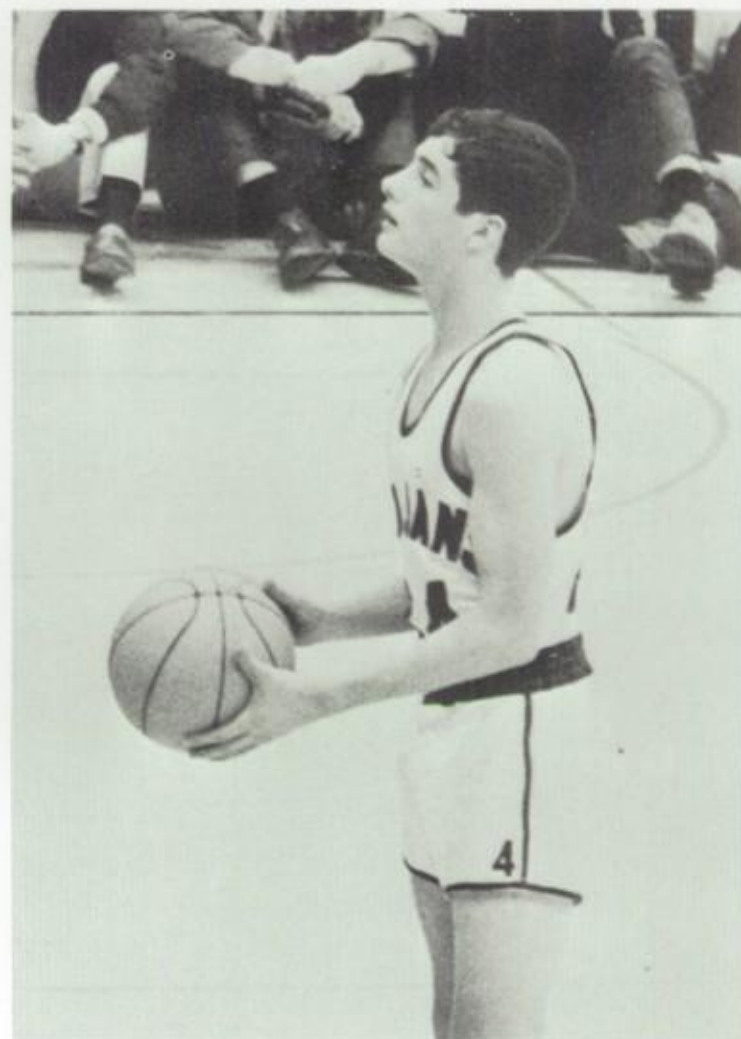

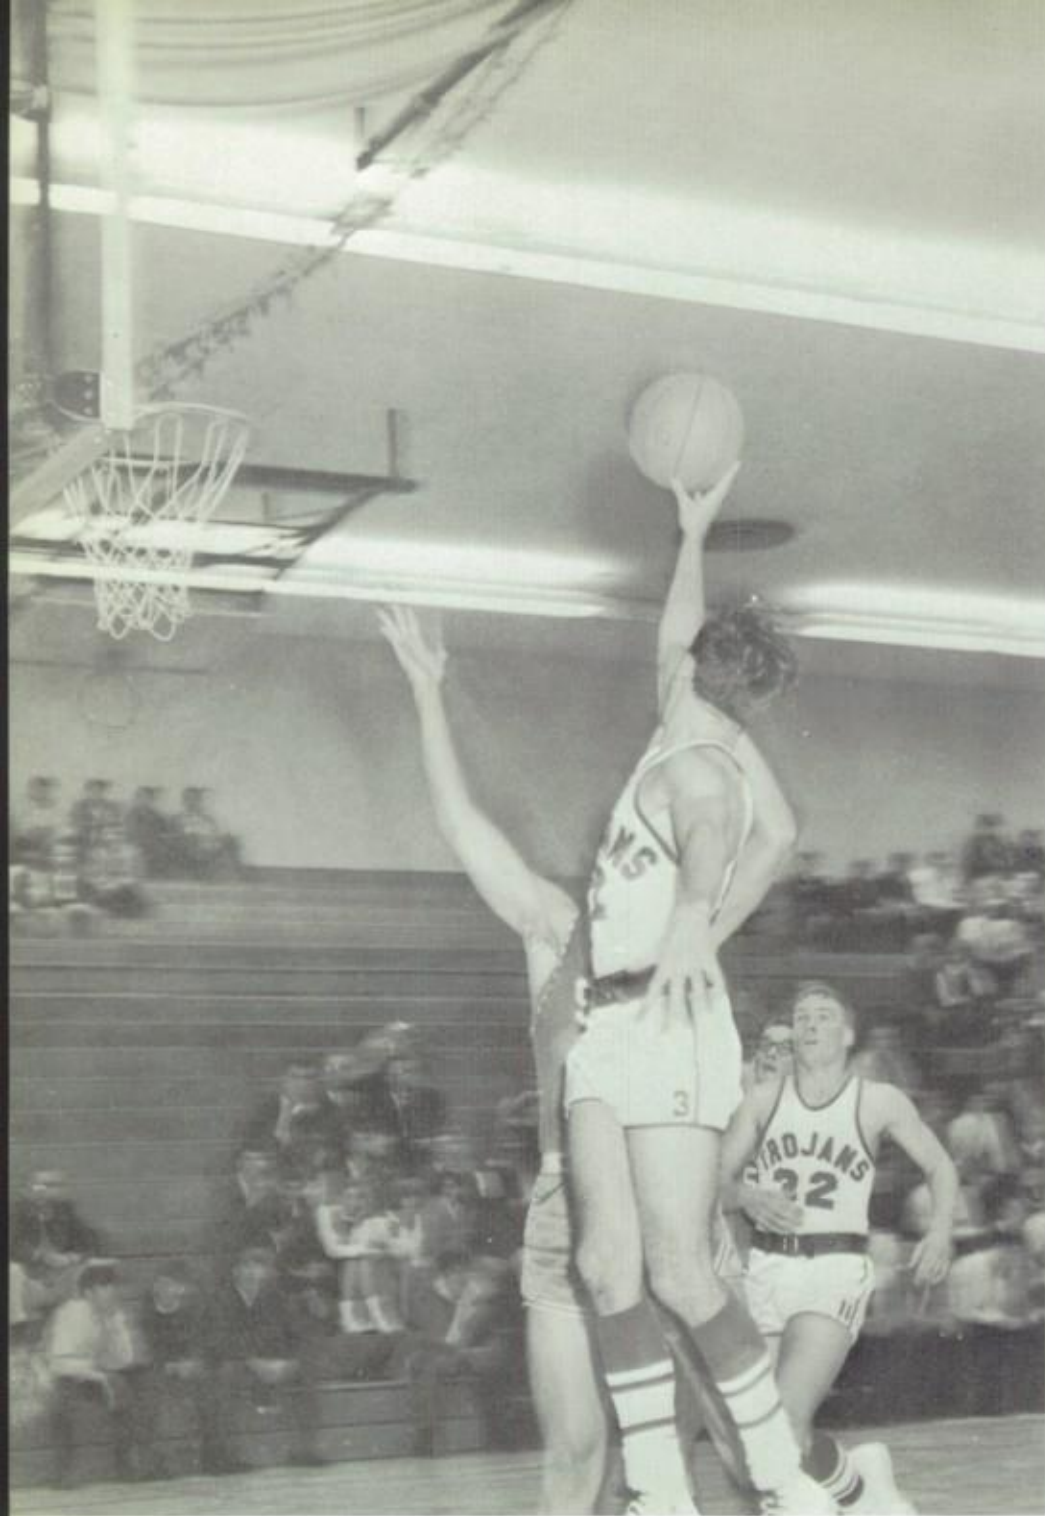

This year the turnout of McDowell fans at the basketball games was greater than ever, if that be possible. Everyone remembers the agony of the one point loss to Vincent in the last seconds of the game. Also unforgettable was big John Wassell, who seemed to stand a foot taller than everyone else, but who was only 6'7" or so.

Other Seniors were play-maker Moe Elwell, rebounder Terry Smith, and Jim Michaels.

With the introduction of several Sophomores to the Varsity team, it became increasingly difficult to distinguish the J.V.'s from the regulars.

We can all thank Head Coach Jack Henning and his assistant, Steve Rasey, as well as the players, for a thrilling season.

Wrestling

Hurt by graduation, the Varsity Wrestling Team had only 4 returning starters this year: Rod Irwine, Pat Grower, Doug Engel, and Keith Penman.

Despite this apparently heavy loss, the team continued its winning ways with the aid of a well-developed J.V. squad which filled the Varsity ranks well. They also earned a 3rd place finish in the Girard Invitational.

Coaches Clark and Prather can be proud of this devoted, weight-conscious group.

Track

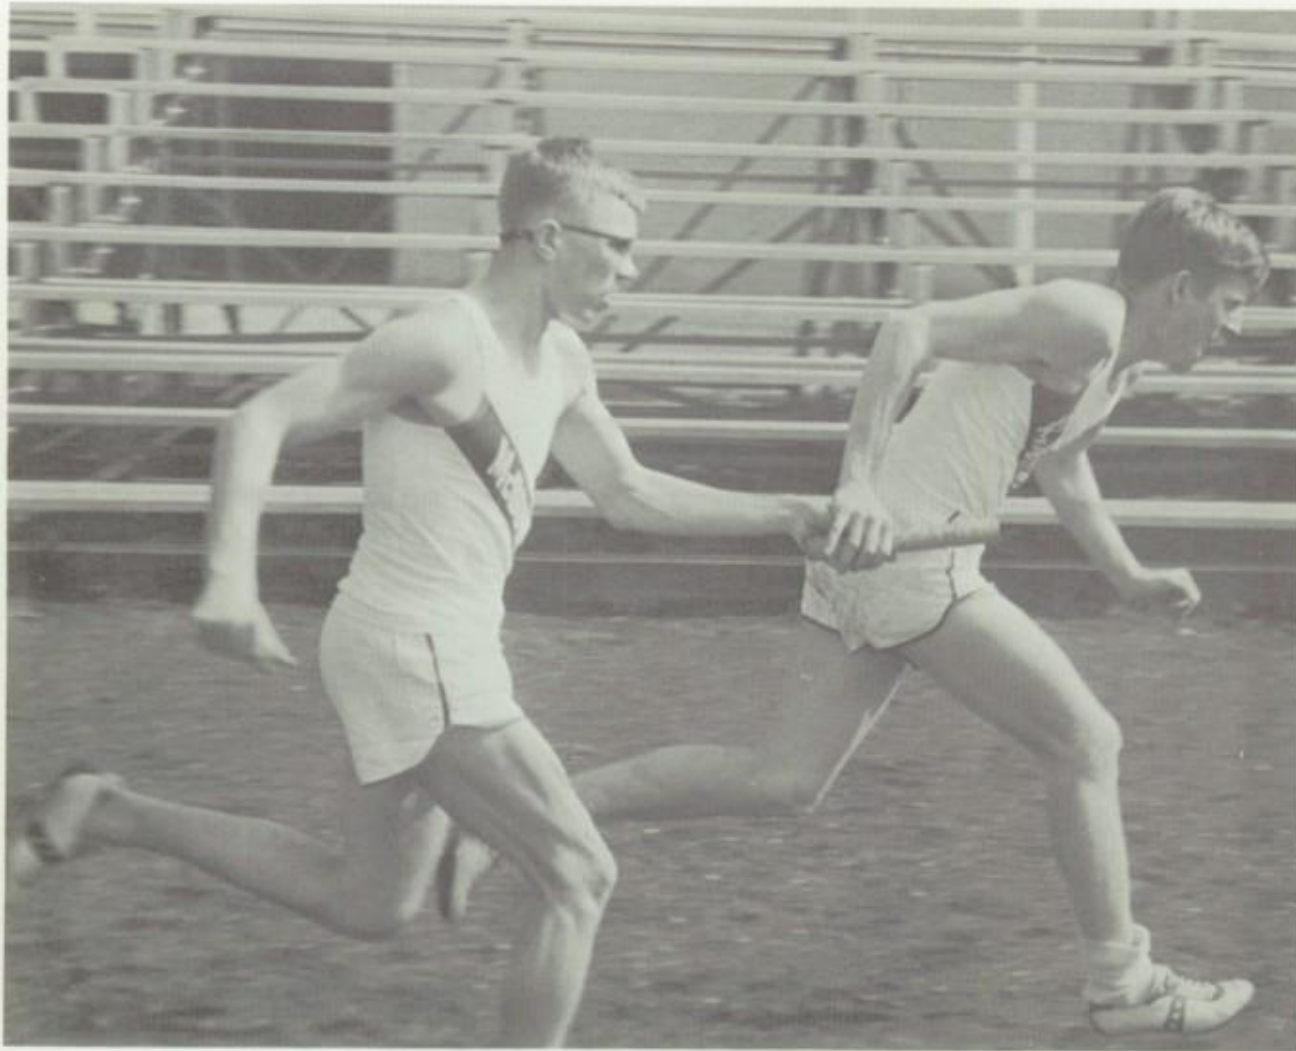

With a majority of freshmen and sophomores, 1965, 1966 was a building season for McDowell's Track Team. The squad was divided into: weight or field men, most of whom were football players; sprinters; and distance runners, many who had been on the Cross Country Team.

Mr. Nelson, the Head Coach, began early last season to build the team; by the end of February he already had them running. Mr. Nelson worked up team spirit, and everyone pulled for a great season.

In the District competition, Gary Renaud took second place in discus. Steve Kalinowski broke the old district record by 22 seconds while taking first place in the two mile. Both boys qualified to go to the State meet, where Steve Kalinoski placed sixth in the two mile run.

Golf

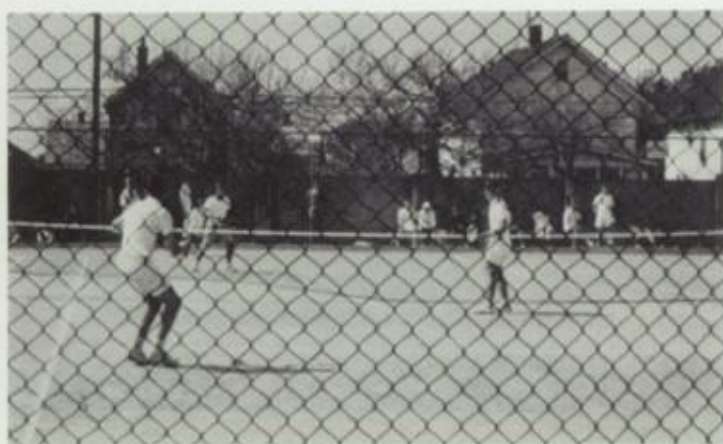

The 1966 Golf Season found four experienced golfers returning as a nucleus of what turned out to be a very successful season for the Trojans. Jim Rogerson, Chuck Johnson, Chip Colwell, and Mike Horrobin all had gained experience in the previous season. Aided by Mike Peck, Bill Meyers, and Joe Ducato, our Trojans finished second in the "Big Six" Team standings with a 7-3-1 season.

In District 10 competition, which included 28 schools from Northwestern Pennsylvania, McDowell finished second only one stroke off the pace. Jim Rogerson's individual efforts won him a trip to Penn State for the P.I.A.A. State Golf Tournament.

Returning Lettermen for the '67 season were Seniors Colwell, Horrobin, Meyers, and Ducato, and Sophomore Peck.

STUDENT BODY

Here's to our classes,
Here's to our lasses,
Here's to the lads they adore.
Here's to the Seniors, so mighty,
Juniors, so flighty;
Here's to the Sophomores.
Let mirth and gladness
Banish all sadness,
And as the days go by,
We promise you'll find us ready, earnest,
and steady,
Boosting for McDowell High!

Once again, here as schoolmates assemble,
We fain would lift our hearts in song
To our high school, our dear Alma Mater;
Let gladness the moments prolong.
We are proud of our lads and our lasses,
Of honors won in days gone by;
So here's a cheer for our old high school,
For our old high school, our dear "old high"!

Faces of Seniors

Remember those Banquet-or-no-Banquet Class meetings? the Homecoming Game we lost? basketball with Vincent? the College Boards they made tougher 'cause they saw US coming? and that P.O.D. test before Christmas vacation, not to mention mid-terms or finals. Hey, and don't forget THE SPIRAL STAIRCASE and the Junior Assembly. Hootenany, wasn't it? Then there were the bus trips to Warren and Conneaut, after-the-game dances, the Thanksgiving and G.A.C. dances, the Peppermint, Prom, Prom-to-Dawn. . .

Snow days and time-off-for-hunting days, routine days, lousy days, test days, and Fridays. Well, we've survived all the days of our Senior year. Now we're shouting, "Good-bye and good riddance and thanks."

The Pep Band, the Cheerleaders, the teams—Basketball, Football, Cross Country, Wrestling—are enthusiasts of the Spirit of '67. But look. Here we all are, and we are the Spirit, too—We are McDowell!

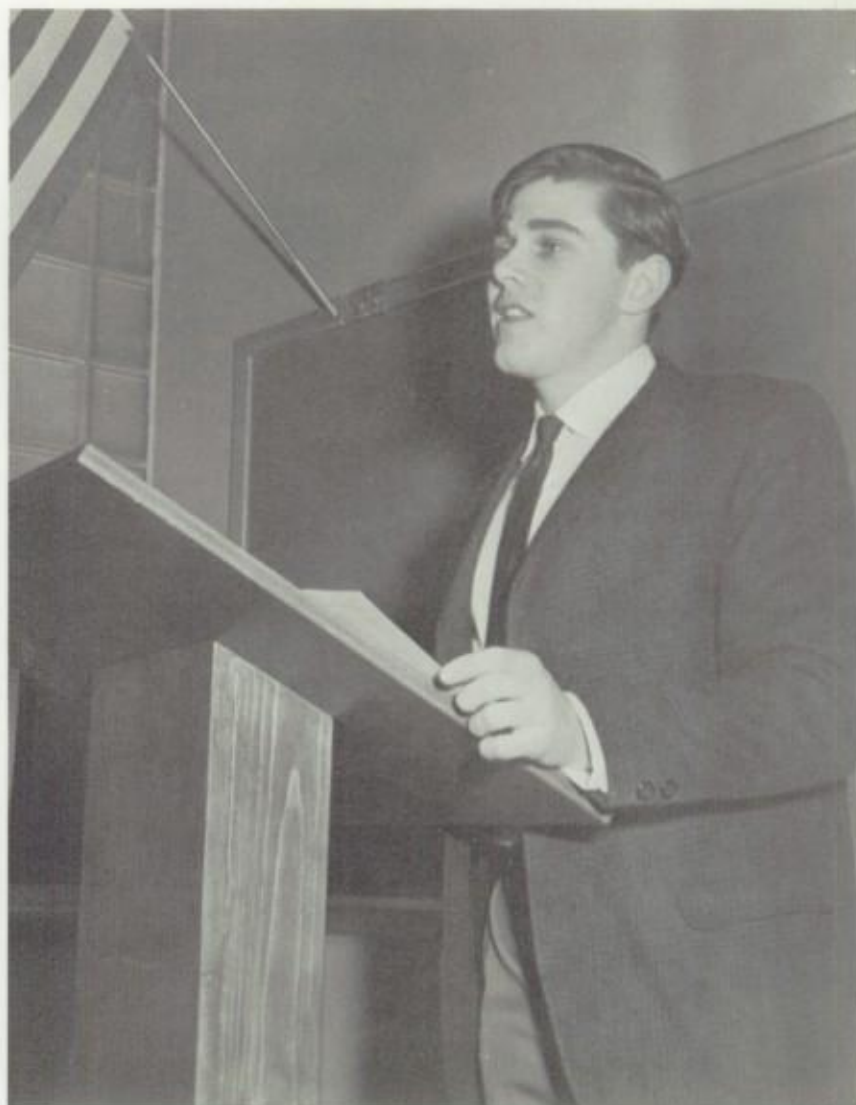

The Editor Speaks

The 1967 KALDRON has tried to capture the Spirit of McDowell. McDowell has been more than a school--to most of us it was a way of life. The halls, the classrooms, the administration, the teachers and the student body have had a Spirit that will echo through the years. We have endeavored to relive a few of these memories.

As we discovered while we were still Juniors, there is much work connected with putting a yearbook together; but the experience of working with many ambitious and creative people, who saw their ideas and dreams taking shape, has made this task worth-while. We strived earnestly and happily anticipating its completion; yet when this effort finally came to an end, there were some regrets along with a sigh of relief.

If we have achieved our goals in this publication, the credit must go to the many people who gave of their time and talents during the many months of work. My sincere thanks to them all.

Spirit of '67

Our class--the Class of '67--did the silly things Sophomores do; we said the naive things they say. But OUR class had a Spirit uniquely ours. In the spring we held our Sophomore dance, a Bermuda Hop, which Sophomores and a few upperclassmen attended. Yet we made a profit and were happy. Our assembly, "That Was The Week That Might Have Been," bore the brunt of all the upperclassmen's sarcasm and heckling. But no one denied that we had the Spirit; no one said that we didn't try; and not for one second did anyone even doubt that our day would come.

As Juniors, in spite of Chinese dynasties, gas laws, and HAMLET, we were determined to have fun. In fact, the Junior Class Play, OUR GIRLS, was so funny even the Seniors had to laugh. Another production in this spirit of fun was "Zowie and Me," a musical comedy written and produced by members of our class. However, it was only a short time until we saw the serious side of life as Juniors. Though we didn't enjoy the prospect of saving for them, our class rings certainly did please us. But a Prom to please the Seniors was another matter entirely. Only after lots of planning and hard work were Senior and Junior boys able to escort their favorite girls to a really special Prom, "Midnight in Venice."

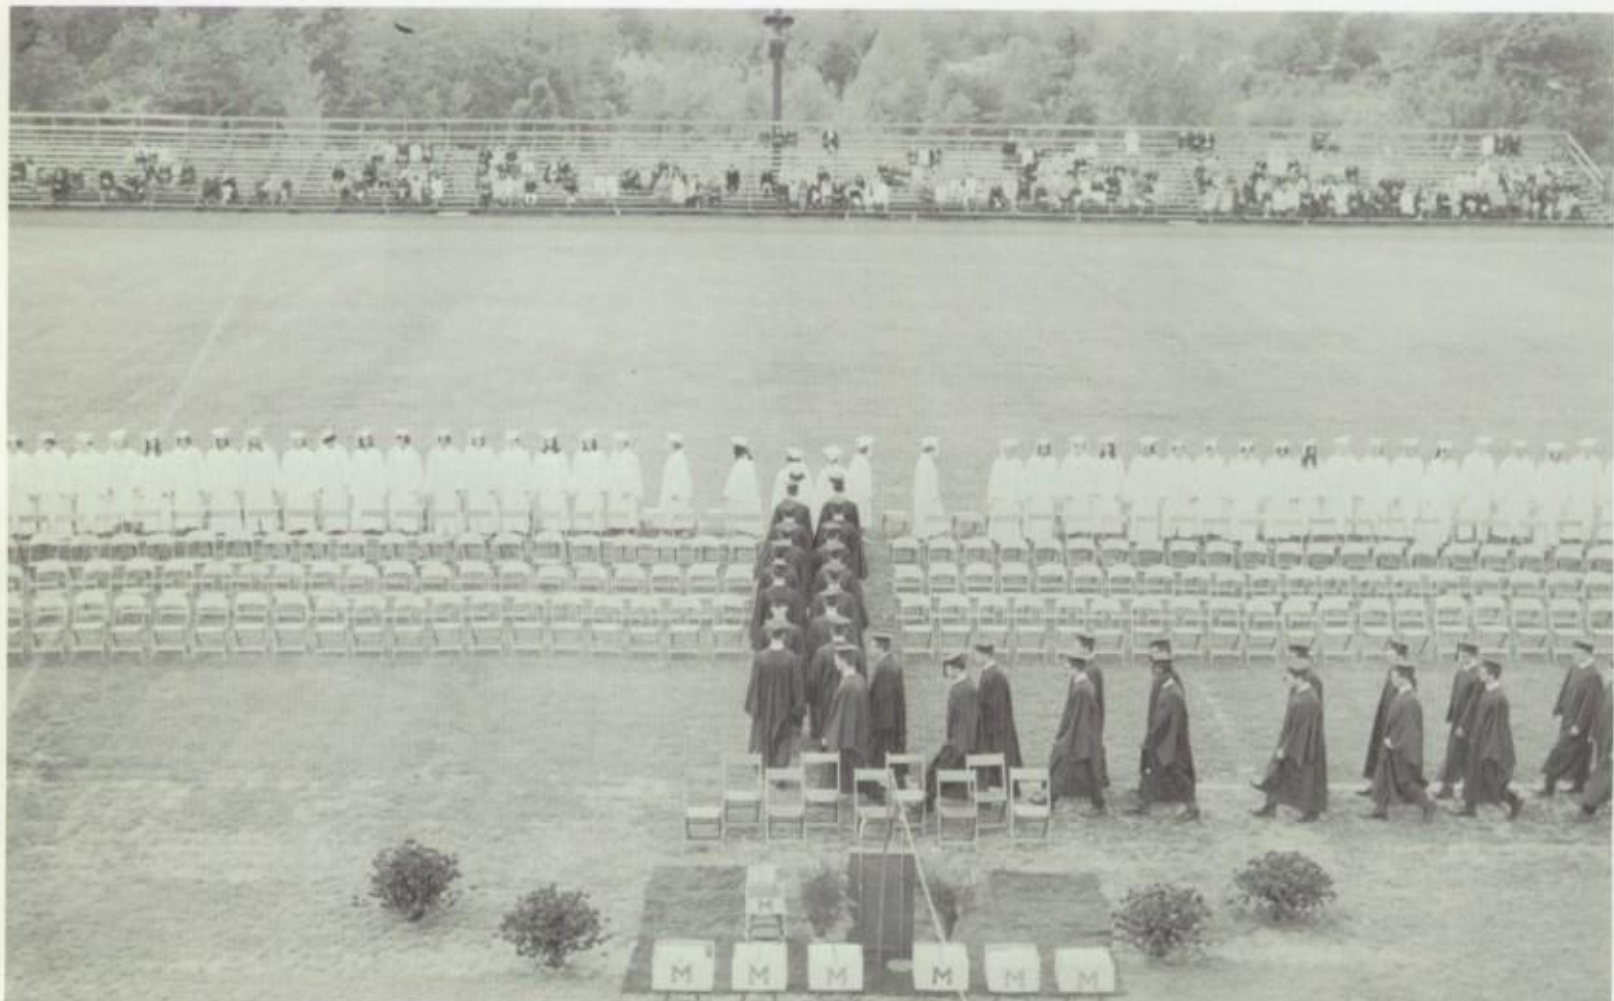

Then suddenly, the halls seemed empty. We were no longer underclassmen; our day was coming.

COMMENCEMENT

June 5, 1967. Commencement and Graduation.

Our day has come.

A diploma, a tassel, a rose. Now these are all we have left of McDowell. But the spirit--the spirit of '67--we'll take with us wherever we go. Some will carry it into the Class of '71. For others this spirit will become the morale of a Marine Battalion, pride in their workmanship or trade.

This shall always be the Spirit of '67!
